

JOB DESCRIPTION: PERFUMER

Company: Sensory FX (Pty) Ltd
Location: 154 Edward Avenue, Hennospark, Centurion, South Africa
Contract Type: Full time
Industry: Chemical

About us:

Sensory FX is a trailblazing developer and manufacturer of flavours and fragrances for a broad range of products – from food and beverages to household and personal care. As an industry pioneer in sub-Saharan Africa, we're known far and wide for our excellent service and high-quality products. Over the years, we're proud to have helped create and define some of the continent's best-loved brands. This is due to the fact that we don't just understand the science of fragrance and flavour, but the psychology behind it too – which allows us to craft uniquely appealing tastes and scents.

Purpose of position:

To create new fragrances and matches for personal care, home care, fabric care and hair care. To give technical support to the Sales team on end applications and raw material interactions with bases.

Roles and responsibilities:

- Create new fragrances and match fragrances to answer briefs or close gaps in current library.
- Refine the current library to match and cater for specific end applications.
- Ensure quality of pilot scale compounding.
- Provide technical guidance on raw material interactions with bases.
- Assist with stability testing and troubleshooting of fragrances across categories.
- Provide technical guidance of raw materials in terms of availability, cost and creative effect.
- Evaluate fragrances in the matching process.

Requirements & Skills:

- Excellent understanding of perfumery and chemistry of fragrances.
- Fluent in English (reading and writing).
- Able to work in a team.
- Regulatory knowledge (IFRA).
- Experience and understanding of African market and related categories.
- Degree in Chemistry.
- Formal training in the perfumery industry is an added advantage.
- ISIPCA.
- At least 10 years' experience working as a creative perfumer.

If you are interested in this position and feel you have the necessary skills and abilities, send an email to danie@sensoryfx.co.za before 22 March 2024. If you have not heard from us within 10 business days after your submission, please accept your application as unsuccessful.
