

JOB DESCRIPTION: FLAVOURIST (SAVOURY)

Company: Sensory FX (Pty) Ltd
Location: Hennospark, Centurion
Contract Type: Full time, Permanent
Industry: Chemical

About us:

Sensory FX is a trailblazing developer and manufacturer of flavours and fragrances for a broad range of products – from food and beverages to household and personal care. As an industry pioneer in sub-Saharan Africa, we're known far and wide for our excellent service and high-quality products. Over the years, we're proud to have helped create and define some of the continent's best-loved brands. This is due to the fact that we don't just understand the science of fragrance and flavour, but the psychology behind it too – which allows us to craft uniquely appealing tastes and scents.

Purpose of position:

This position will be responsible for the development (creation and matching) of new flavours (savory), to expand and enhance Sensory FX's current product range and to provide technical direction and expertise during product development.

Roles and responsibilities:

- Create and match flavours and adapt existing flavours to meet client expectations and organisational goals.
- Manage multiple projects to meet deadlines as set out in briefs.
- Provide technical support and expertise to the team and other departments including sales.
- Communicate effectively with the team and other stakeholders.
- Keep accurate records of flavour formulation.
- Collaborate with the product development team.
- Impart knowledge and experience to trainee and junior flavourists.
- Participate in industry conferences and stay up to date with materials and best practices.

Requirements & Skills:

- BSc degree or diploma in Science or Chemistry.
- At least 5 years' flavour creation/development experience.
- Savoury flavour creation experience.
- Formal training in flavour creation will be beneficial.
- Experience and understanding of the African market and related categories will be beneficial.
- Regulatory knowledge: Foodstuffs, Cosmetic & Disinfectants Act 54 of 1972.
- GCMS operation and analysis will be beneficial.

If you are interested in this position and feel you have the necessary skills and abilities, send an email to danie@sensoryfx.co.za before 30 November 2024. If you have not heard from us within 10 business days after the closing date, please accept your application as unsuccessful.
