

JOB DESCRIPTION: TRAINEE PERFUMER

Company: Sensory FX (Pty) Ltd
Location: Hennospark, Centurion
Contract Type: Full time, Permanent
Industry: Chemical

About us:

Sensory FX is a trailblazing developer and manufacturer of flavours and fragrances for a broad range of products – from food and beverages to household and personal care. As an industry pioneer in sub-Saharan Africa, we're known far and wide for our excellent service and high-quality products. Over the years, we're proud to have helped create and define some of the continent's best-loved brands. This is due to the fact that we don't just understand the science of fragrance and flavour, but the psychology behind it too – which allows us to craft uniquely appealing tastes and scents.

Purpose of position:

To work with and assist the Fragrance team with development projects, obtain exposure and develop knowledge of RAW materials.

Roles and responsibilities:

- Assist the lab technician with compounding and maintaining retention samples.
- Assist the lab technician with maintaining shelves with raw materials.
- Participate in daily evaluation of samples / finished products with the sensory panel.
- Ensure retention sample availability after formulation of newly developed fragrances for customers, the sample room and QC department.
- Continuously develop yourself through internal and external opportunities.

Requirements & Skills:

- BSc degree or diploma in Science or Chemistry.
- At least 1-2 years' experience in the fragrance industry.
- Lab skills including GLP, compounding and calculations including dilutions.
- Good olfactive skills and ability.
- Good time management skills.
- Good communication skills.
- Able to work in a team.

If you are interested in this position and feel you have the necessary skills and abilities, send an email to danie@sensoryfx.co.za before 31 March 2025. If you have not heard from us within 10 business days after the closing date, please accept your application as unsuccessful.
