

JOB DESCRIPTION: PERFUMER

Company: Sensory FX (Pty) Ltd
Location: Hennopspark, Centurion

About us:

Sensory FX is a trailblazing developer and manufacturer of flavours and fragrances for a broad range of products – from food and beverages to household and personal care. As an industry pioneer in sub-Saharan Africa, we're known far and wide for our excellent service and high-quality products. Over the years, we're proud to have helped create and define some of the continent's best-loved brands. This is due to the fact that we don't just understand the science of fragrance and flavour, but the psychology behind it too – which allows us to craft uniquely appealing tastes and scents.

Purpose of position:

To create new fragrances and matches for personal care, home care, fabric care and hair care. To give technical support to the Sales team on end applications and fragrance interactions with bases.

Roles and responsibilities:

- Create new fragrances and match fragrances to answer briefs.
- Adapt existing fragrances to meet brief requirements.
- Proactively close gaps in the current library in line with market requirements.
- Evaluate fragrances with the team during the creative and matching processes.
- Provide technical support to the Sales team on end applications and fragrance interactions with bases.

Requirements & Skills:

- Excellent understanding of perfumery and chemistry of fragrances.
- Fluent in English (reading and writing).
- Able to work in a team.
- Regulatory knowledge (IFRA).
- Experience and understanding of African market and related categories.
- Degree in Chemistry.
- Formal training in the perfumery industry is an added advantage.
- ISIPCA.
- At least 5 years' experience working as a creative perfumer.

If you are interested in this position and have the necessary skills and abilities, email your CV to danie@sensoryfx.co.za.
